Dear Paul:

Following up on a conversation with your office on May 10 concerning Lloyd Fish.

In conversations with both Dave Yoquelet of the Marshall County, Indiana, Sheriff's Dept. and Kevin Allen of the Marshall County Probation Office, both indicated that any information regarding Lloyd Fish was confidential and not available to the public.

I did gather from talking to Mr. Yoquelet in January 1991 that Lloyd's problem with the Sheriff's Dept. could be similar to that of [REDACTED]. However, in no way was it ever stated as to the type of offense or what the outcome was.

This whole matter came to light when I tried to secure additional information requested by you regarding [REDACTED]. At that time Mr. Yoquelet indicated that Lloyd also had been involved in what I gathered to be a similar situation. Not having any information on Lloyd I shared this with our Scout Executive, Ron Eagon. He contacted you.

In trying to secure further facts on Lloyd on April 11 I was told by Mr. Yoquelet that due to the subject's age his file was confidential and that I should contact Mr. Allen.

On April 12 Mr. Allen, in a phone conversation, confirmed the confidentiality statement. I asked for a letter to that effect which you now have.

At this point I feel that there is nothing more that I can do to secure additional information.

Sincerely,

Edward F. Bloomer

Re: Lloyd W. Fish

Dear Mr. Boomer:

In reference to our telephone conversation on April 12, 1991, this letter is to restate that I cannot release any information on a juvenile case without a signed authorization by the juvenile per Indiana juvenile confidentiality laws. Juvenile records are always closed files whether they are on probation or whether they have been released and regardless of whether they have reached their eighteenth birthday or not.

I'm sorry I am unable to assist you further, but I hope this information is useful.

Sincerely,

Kevin Allen  
Director  
Marshall County  
Probation Department

SUBJECT: ~~REDACTED~~

Dear Ron:

I appreciate all of the material concerning Mr. Fish. This is adequate to keep him on our Ineligible Volunteer File and make certain that he cannot register in the future. I agree with you that ~~REDACTED~~ should be retained on the file and not registered at this time.

I do not find anything in my file at this time on Lloyd Fish. Perhaps he was not registered at the time of the incident and, therefore, no information was sent to us concerning him.

I am enclosing an Ineligible Volunteer Record Sheet which I would like to have completed, so that we can place Lloyd Fish on the file and refuse registration in the future.

Please also send any newspaper clippings or court records which would document the two years of probation which he received.

Sincerely,

Paul Ernst, Director  
Registration and Statistical Service

Re: [REDACTED]

Dear Mr. Ernst:

I am in receipt of your letter concerning [REDACTED]. At this time, he has reached his 18th birthday and his juvenile record has been sealed.

It was brought to my attention that [REDACTED] Lloyd was involved in this incident, who was 18 at the time. He received two years of probation.

I suggest retaining both [REDACTED] and Lloyd on your list.

Sincerely,

  
Ronald I. Eagon
